第91話 危険美少女 接近中!!

Easa, you're thinking small!

You're too cheap!

but Easa doesn't feel that he has the right to...

It's been two weeks since Easa's father passed away

more and more people are visiting because of the money

but the money still hasn't been touched at all

Okay, what would you do with the money?

You have to think big, spend big!

Living it large, you know!

But!

Easa's father left the money to be spent on...

It's your strength, but it's also your fault.

Aw, come, you're too serious with this.

So I want to wait until everyone's more grown-up.

Dad, aren't you the one who's thinking small?

Buy a few cars, then eat some more.

then some games, an arcade...

?

25, 25, 25.

This represents my thoughts.

The subject is chaos.

Done.

Done it, I'm poor, that's why!

I was thinking.

depends on life experiences

how money is used.

What?
That's just a
man of red
point...

Okay...
this is an
impression
though

How do I look
like I'm having my
period,
jji?

My impression
was that
you're having
your period.
Hm...

What?
No.

Also, if you're
NOT having
your period...
you troubles?

Where
you
stumbling
about?

...I'm a 36 year old
father, but to be
called an old man
... kids these days

Hey!

Hey!
How's that
experience?

You can
drive me
if you
want...

Hey!

No, sir,
do you
think that
—

I'm
beautiful
?

going up
at just 20
?

...that's a
waste.

You're
dodging the
question!

All women
are
beautiful.

hmm...

—sent
off—

Are you
here a
lot?

I was sure
I would
get the job.

this is
already the
third time.

I am
20 already.

well... I
should just
give up.

and find
a guy to
marry!

I failed
again.

I quit even
in a cosmetic
surgery shop
—

No one is getting wonder and wonder..

I should try it with my classes, the lesson plan... huh

002 Hello to Sleepless Days

第92話 不眠さん こんにちは

No son,
do you still
remember
me?

maybe it's
just a
nutritional
problem

Dairy products,
fish, and
cabbages are
all rich in
calcium...

But you,
don't wear
funny clothes
like that,
you'd catch
something.

Nothing,
I'm fine!

I saw you
came out of
the hospital,
what's
wrong?

Gasp, what a
consideration!

...some
relaxation
exercises
maybe...

Sleep
medicine?

I don't
want to
take it.

What!
You don't
even have time for
a date with a
beautiful girl
like me!

I don't
have time,
my daughter.

Hey, I don't
have
anything to
do today

Because I
really like
men with
facial hair.

I don't
mind!

It can't be
fun
following
me around!

Wow, girls
these days
are so
straight
forward.

No son, we
can go on a
date if you
want.

huh?

maybe THAT
was something
to do my
research...

hmm...

I'm really
really really
sorry, please
forgive me!

What?

No way?

It's not your
fault, no one
would know
about her
leg!

Aww
man...

I didn't
know!

I'm
sorry!

Please, I
don't need
—

To have
asked that of
you...

I'm already
looking for
properties in
America

we can go
as soon as
you get the
money and
our debt is
cleared...

when I compare
my troubles to
those with
diabetics

my problems
are actually
nothing
at all...

that half of
inheritance is
mine...

OK, but it's
my plan

hmm,
how
greedy...

Aw no, why
didn't you
tuck Grecco
in

it's easier
this way

Now lets see
where should
take Nanao
to play today

That medicine is
wonderfull

What a good
night's sleep!

Mind

have a lot
of side
effects!

No, I couldn't
do that...
those medicines
trunked!

I'll never
trust them
again!

第94話 薄幸の美少女!?

Well met,
In Satou,
the doctor
regularly in
charge of
Kuro-chan.

I only came cause
this was the closest
Shiz's regular
patient!

I can't see
the stars

Almost
was think-
ing how
beautiful the
sea at
Okinawa was

Where is
this going?
I wonder

It's telling me
something!

Should I
listen?

oh no,
home!

Where's
Nanami?
She's sleeping?

Well, some-
thing
happened.

Nanami

No, she's
too sticky
and...

I'm
back.

No, you're
so late!

Maybe it's
the pollution
in the city

That's why so
many people
have allergies
and
asthma

Nanami

if you care
for her

maybe you
should move

Okinawa

Come on.

I'm here now.
Take a sniff
of the real
Enzo.

Enzo,
you're
warm.

Enzo.

they
smell like
you, Enzo.

so I
pretended
that these
were you.

Elly
Nemura?
My workout

...I wanted
and you still
weren't
home.

ENZO You
can't!

Kago-chan,
how are
you?

Not serious.

I'm only
after his
money.

You really
fell in
love with
him?

So
Kago-chan,
don't forget
to give me

I hope you
succeed

Oh! You
want me
to tell your
boyfriend?

pictures of
him in

pleased

All I have
to do is
get him to
marry me

Then I'll transfer
the money to
my name and
ask for a
divorce.

it will be
simple.

Oh, a visitor

You gave me
quite a
scandal

Ha,
really?

that doctor
seemed a
little young
and weird.

Well, I got
other
patients to
check on.

know about
my condition?

I'm so
happy, you
really came
to see me!

They left
just a while
ago.

Does your
parents know
you're here?

It's so lonely
here, living
too.

I wish I have a
boyfriend to cheer
me up.

Enno

do
you

Well, as long
as you get all
better before
spring comes.

You'll probably
get that
job opening.

Enno

All I
know is
that —

I don't
understand
it myself.

Because

I'm
scared...

I don't even
know what's
wrong with
me.

No, my
actings perfect...

This is a place full of memories for you, isn't it?

I'm just an outsider.

This store is a part of the your staff's business.

and now that president Aoyama passed away...

How is it going with that Horyama, the accountant who still has control of the money?

Don't say stuff like that!

Oh you, Farrel!

You don't have to be formal with me, we are friends.

Thank you for your concern.

I have some advice for you too.

it makes sick
to see how

as a really
strong-willed
woman

You're

Quality:

much care has been taken to LOWER
